With this game, each time you pick up a stick you have to name something you are grateful for. Each color represents a different type of thing. It’s a great way to get the kids really thinking in different ways about all that they can be grateful for!

To play, you hold all of the sticks in your hand and drop them They will fall randomly and that is great. Then each player takes a turn pulling a stick from the pile. You cannot make any other sticks move or you lose your turn and do not get to collect the stick. The player with the most sticks at the end of the game wins.

To play it as **The Gratitude Game**, each color represents a type of thing you are grateful for. These were our categories, but you can modify them if you want:

Red Sticks: People you are thankful for

Orange Sticks: Places you are thankful for

Green Sticks: Foods you are thankful for

Blue Sticks: Things you are thankful for

Purple Sticks: Miscellaneous- Your choice of something you are thankful for
